Determining your site location should be based on the township closest to where you reside. **Registration means you are committed to attend**-do not register if you may have a conflict. This training is FREE. However, there will be a no call/no show fee of \$50.

Participants are expected to incorporate content from the program as it related to their profession. There are action items that Niagara University will be following up on with each registrant.

OPTION 1 - THE TWO DAY SESSION: Is designed for individuals who have active roles in emergency management, municipalities and disability advocates/organizations. Registration limit is 35. We will approve attendance based on role, responsibility, and commitment to the follow up action items.

OPTION 2 - AFTERNOON DAY TWO: Is for those invested in the topic but whose roles and responsibilities may not be as involved.

Reference the access and functional needs information on the registration page.

For questions/accommodations call 716-286-8139, 716-286-7355, or email ddodge@niagara.edu. Please note that there may be a delay in response due to the COVID-19 pandemic and that all trainings are subject to state public health requirements.
